## 5. Assembly Instructions

## 5. Assembly Instructions

### 1 Unfold Frame

Locate the locking catch on the side of the stroller and lift to release from the locking stud.

Unfold the pushchair using both hands. Press the locking bar until it "clicks" into place.

### 2 Assemble the front wheels

Assemble the front wheels by pressing down the lock pin on the front tube.

Insert the front tube into the adaptor on the front wheel until the lock pin is fully engaged in the plastic hole.

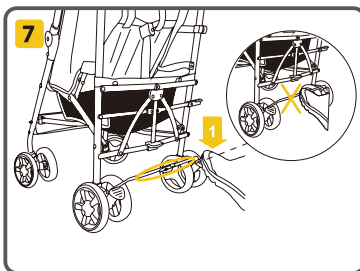

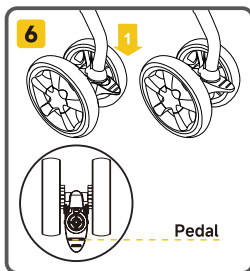

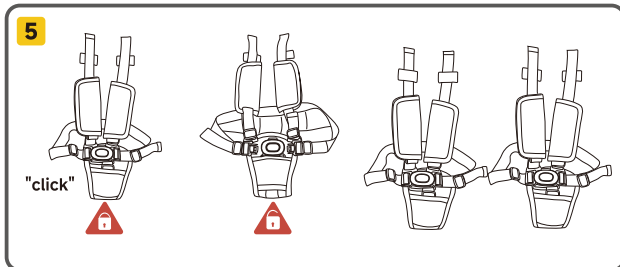

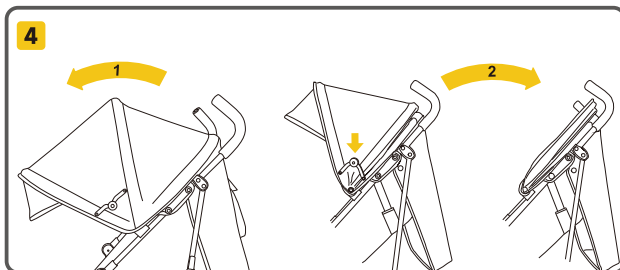

Pull on the front wheels to ensure they are locked on.

### 3 Fit the canopy

Slide the plastic component of the canopy onto the corresponding part on the frame.

Attach velcro to both sides of the seat fabric and the rear of the backrest.

## 5. Assembly Instructions

## 5. Assembly Instructions

### 4 Adjust the Canopy

Pull the canopy away from the backrest to open (Arrow 1).  
Push the canopy towards the backrest to close (Arrow 2).

### 5 Harness & Buckle

**To fasten the waist harness:** Insert both buckle clips into each side of the buckle until a "click" is audible.

**To release the harness:** Squeeze the buckles and pull apart.

**To adjust the buckle:** Adjust the shoulder straps by moving the slides as shown.

**Note:** Thread the shoulder straps through the loops to reduce the shoulder strap height if required.

### 6 Adjust lock swivel wheels

Your stroller has front locking swivel wheels. To lock, rotate the wheel so that the pedal is facing forward. Press the pedal down with your foot and you should hear a "click". Further minor rotation may be required, To release the locked swivel wheels simply lift the pedal with your foot.

### 7 To operate brakes

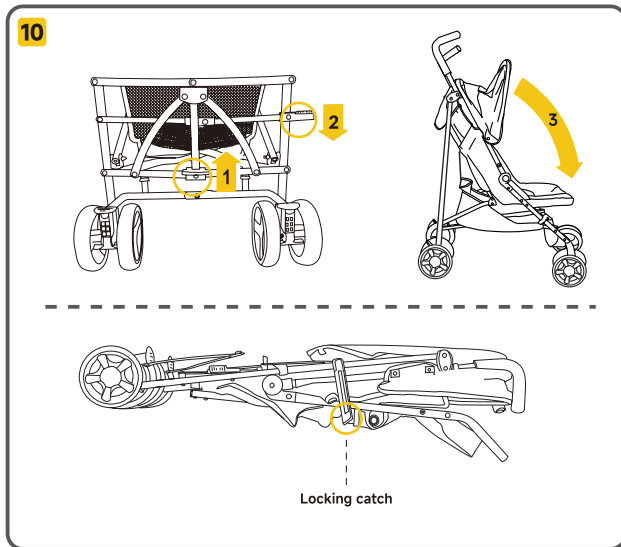

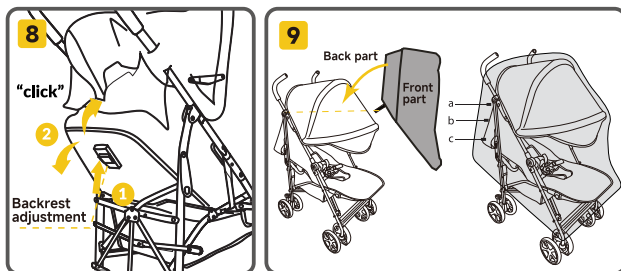

Your stroller has a linked parking brake. To engage brakes simply press down with your foot on the pedal located on the rear wheels. To release brakes simply lift the pedal located on the rear wheels with your foot.

### WARNING:

Do not step on the steel bar to apply the brakes.

Roll back and forth to make sure the brakes are engaged before letting go.

## 5. Assembly Instructions

## 5. Assembly Instructions

### 8 To recline backrest

The backrest has 3 positions, upright, semi-reclined and fully reclined. Squeeze and hold the seat backrest adjustment lever and move the seatunit upwards or downwards. Release the lever once the desired position has been achieved and a "click" noise is heard. Check the backrest is secure before placing the child into the pushchair.

### 9 To fit the raincover

Place the raincover over the hood and then cover the stroller. Fasten the touch fasteners to the stroller in positions A, B & C on both sides.

### 10 Folding the stroller

Lift the rear locking catch upwards with your foot (1), push the second locking clip down with your foot (2). The pushchair will begin to fold at point.

Push the handles over and the pushchair will naturally catch on the locking catch located on the side of the stroller (3).
