

Installation instructions

A  X 1	B  X 1	01 	02 	03 
G  X 1	H  X 6	04 	05 	During the installation process, some screws are pre-installed in the screw holes. Please do not consider them missing. After the installation is completed, press down firmly on the silver pedal to lower the seat. Lightly press the pedal repeatedly to raise the seat. Do not press down continuously; continuous heavy pressing will not achieve the purpose of raising the seat cushion.
J  X 6	K  X 2			

Caution: H & K screws are pre-installed in the holes. Remove them before installing.

Montageanleitung
